

Amen [Lyrics]

[Default Arrangement] by Adam Palmer, Jonathan Lindley Smith, Matthew Hein, Stephanie Kulla,...

I have no words to say
Don't know what I should pray
God, I need You, God, I need You
Oh Lord, my faith is tired
And tears fill up my eyes
But I will trust You, I will trust You

Whatever comes my way
You have taught me to say

Amen, let Your kingdom come
Amen, let Your will be done
And through the rise and fall
You're God above it all
Amen, we're singing Amen

When I can barely stand
You strengthen me again
I will seek You, I will seek You
Though troubles may arise
My hands reach to the skies
I will praise You, I will praise You

From everlasting to everlasting
From everlasting to everlasting
From everlasting to everlasting
From everlasting to everlasting
Amen

Amen, let Your kingdom come
Amen, let Your will be done
